**NOTICE OF SUBMISSION - DESIGN AND CONSTRUCTION REPORT  
HIGHWAY 417 KENT STREET OVERPASS REPLACEMENT, DETAIL DESIGN (WP 4033-08-01)**

---

## THE STUDY

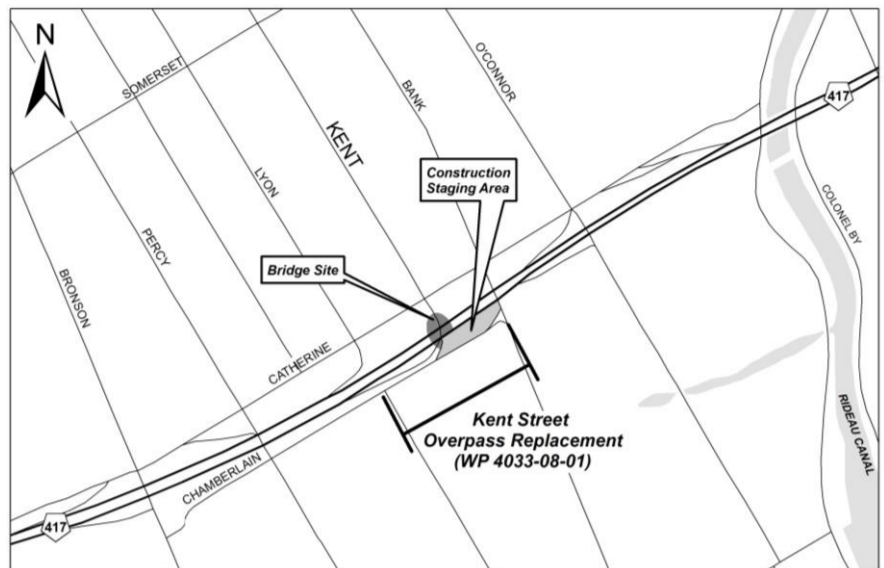

The Ministry of Transportation (MTO) has retained MMM Group Limited to complete the detail design for replacement of the Highway 417 Kent Street Overpass structure (WP 4033-08-01). The project involves the following components:

- Replacement of the Kent Street Overpass structure using rapid replacement construction techniques;
- Preparation of a temporary fenced construction staging area for the bridge replacement activities including construction of the new bridge decks and demolition of the existing bridges;
- Replacement of the existing snow fence on the north barrier walls west of and across the bridge;
- Construction of related works including drainage, roadside protection, illumination, and utility relocations;
- Construction operations on Kent Street, Chamberlain Avenue and the eastbound off-ramp to provide the rapid replacement equipment with access from the construction staging area to the bridge site; and
- Traffic management, in conjunction with the City of Ottawa, for construction staging and the rapid replacement operations. Before, during, and after rapid replacement operations, lane reductions and full closures will be required on Highway 417 eastbound/westbound, the Kent Street eastbound off-ramp, Chamberlain Avenue West to Kent Street North, and Chamberlain Avenue. During rapid replacement operations, additional closures will be required on Percy Street between Catherine Street and Chamberlain Avenue, and on Percy Street, Lyon Street, Glendale Avenue, and Imperial Avenue at Chamberlain Avenue.

## THE PROCESS

This project was carried out in accordance with the approved environmental planning process for Group 'B' projects under the Ministry of Transportation's *Class Environmental Assessment (Class EA) for Provincial Transportation Facilities (2000)*, with the opportunity for public input throughout the project.

The purpose of this notice is to inform the public that a Design and Construction Report (DCR) has been prepared and will be available from **November 24, 2014 to December 23, 2014** for a 30-day public review period. The DCR is available on the project website ([www.queenswayexpansioneast.com](http://www.queenswayexpansioneast.com)) and can be reviewed at the following locations during normal hours of operation:

**City of Ottawa**  
**Client Service Centre, City Hall**  
110 Laurier Avenue West  
Ottawa, ON K1P 1J1

**Ottawa Public Library**  
**Main Branch**  
120 Metcalfe Street  
Ottawa, ON K1P 5M2

**McNabb Recreation Centre**  
180 Percy Street  
Ottawa, ON K1R 6E5

Monday to Friday: 8:30 a.m. to 5 p.m.

Monday to Thursday: 10 a.m. to 9 p.m.  
Friday: 10 a.m. to 6 p.m.  
Saturday: 10 a.m. to 5 p.m.  
Sunday: 1 p.m. to 5 p.m.

Monday to Thursday: 8 a.m. to 10 p.m.  
Friday and Saturday: 8 a.m. to 8 p.m.  
Sunday: 9 a.m. to 8 p.m.

## COMMENTS

Interested persons are encouraged to review the DCR and provide comments by **December 23, 2014**. If there are no outstanding concerns after the 30-day review period has expired, further documentation will not be prepared and construction may commence without further notice. If you have questions or comments please feel free to contact either the Consultant Project Manager or the MTO Project Engineer listed below. You can also visit the project website for more information.
